

Stick To It - Habit Tracker: Terms and Conditions

By using Stick To It app or this website you agree to terms and conditions provided below. Terms of use may change in the future, **check this page on every app update.**

Stick To It app is software, it is complex and may contain bugs (we are really sorry if you have experienced one). While we are doing our best we cannot guarantee that our software will function in all situations and circumstances.

Stick To It: Privacy Policy

This policy applies to all information collected or submitted on Stick To It's iPhone app and any other devices and platforms.

Where is my Stick To It data stored?

Data in the Stick To It app is private and it is stored only on your mobile device. We do not store or process your data on our servers.

Data in Stick To It might also be automatically saved in Apple's iCloud as part of iCloud backup of your device if you have enabled iCloud backup and there is enough free space for backup in your iCloud account).

There are no user accounts on Stick To It.

What information is collected about my use of Stick To It?

Certain non-person identifiable information about your use of Stick To It app (e.g. frequency and duration of usage, significant events and

encountered errors if application has crashed etc.) are shared (together with general information about your device - model, operating system version etc.) with Third parties that provide analytics and crash logging services to help us understand how Stick To It app is used, identify problems early on and improve Stick To It app experience in future.

You can opt-out from sharing this information with us from the Stick To It app Settings-Privacy section.

At the moment we are relying on [Firebase](#) for collecting data about app errors/crashes and [Google Analytics](#) for providing Stick To It app and website analytics.

What are cookies and how are they used?

When your are browsing Stick To It's website, small files (known as "cookies") are saved onto your device to collect analytics information about how users browse the site by our analytics service.

Internet address of your computer, tablet or phone is **anonymized** in the analytics service we use and these **cookies are not used to identify you personally**. You can [opt-out](#) of analytics cookies.

Changes and Updates

If Stick To It makes changes to Terms and Conditions or Privacy Policy, these changes will be posted on the site in a timely manner. We reserve the right to modify this privacy policy at any time, so please review it frequently (at least on every app update).

In case of a business transaction in which a portion or all of Stick To It business is acquired, we will notify you as described above in this paragraph.

Terms of Use

Stick To It ("App") is distributed by Yusuf Kildan ("We", "Us") under Apple's standard software license for iOS apps - the App Store Licensed Application End User License Agreement (EULA); you can read its full version [here](#)

The summary below highlights some of the key points of this EULA, just to give you the general idea:

- 1) App is licensed, not sold, to you. You get a non-transferable license to use the App on any iPhone, iPad or iPod touch that you own or control.
- 2) You may not redistribute the App (e.g. on a network, where it could be used by multiple users) or resell it.
- 3) Do not copy, decompile, reverse engineer, disassemble, or try to access or modify the source code of the App. If you do, We may terminate this license, and you may be subject to prosecution and damages.
- 4) In using the App if you link to third party service providers or web sites, We are not responsible for their services, content, reliability and policies.
- 5) We may change, suspend, remove, disable or limit access to any services offered by Us, or third-parties, at any time without notice, and without liability.
- 6) App comes with NO WARRANTY; it is provided on "as is and "as available basis. You use it at your own risk. We will not be liable for any losses or damages suffered by you, direct indirect or consequential, by your use of the App.
